The Minister for Publicity
To the Government of Madras,
Fort St.George, Madras.

Sir,

The Sabha begs to submit the following for your kind and favourable consideration.

The Sabha is working for the spread of Hindi in South India. Many schools in the Presidency have introduced the teaching of Hindi. The S.S.L.C.Board and the South Indian Universities have also introduced Hindi as one of the languages that can be brought up for their examinations. Hence, we have very often to refer to the Fort St.George Gazette part 1 B., Reports of the Education Department and such other publications of the Government, regarding Educational matters. We request you therefore, to sanction for the Sabha the supply of the above publications free of cost and oblige.

Edn. Dept.
These may be supplied free of charge

We may mention in this connection that the Sabha is a charitable institution (Act XXI11 of 1890) and cannot afford to subscribe for the publications.

There are no general orders regarding the free supply of the Fort St George gazette to private institutions. It will however be seen from the notes on p 2 of G.O. No 473 Fin dt. 4.7.27. that the free supply of official publications to institutions such as libraries and associations have been ordered to be sanctioned only in respect of institutions serving the whole province. ~~It is presumed that~~ The Dhakshina Bharat Hindi Prachar Sabha is apparently an all Presidency institution and is serving the whole Presidency.

Finance (Expr).

Previous Finance notes on pages 2-3 ante.

The E.P.H. department were requested to state whether parts of the Fort St. George Gazette have been supplied free of cost to any private institutions in the past or whether such applications have been negatived. They state that there are no general orders regarding the free supply of the Gazette to private institutions. It is also pointed out that the Statesman, Calcutta was ordered to be supplied with a copy of the Gazette in G.O. 2320 Law (Edn) dated 12-11-1934.

2. In the case of official publications, the principle has been accepted that the free supply should be sanctioned only in respect of institutions serving the whole Province; but unlike other official publications the Fort St. George Gazette is a weekly publication. It seems desirable that the free supply of the Gazette should be sanctioned to private institutions

7 (66)

only in exceptional cases. The Government have in the past invariably declined to sanction the free supply of the Gazette to private institutions. A list of cases in which Govt. have declined to sanction the free supply of the Gazette is put up at ~~flag K.~~ p. 11 infra

The annual subscription for Part I B of the Gazette is Rs 10/-, and it is a matter for consideration whether Dakshina Bharat Hindi Prachar Sabha, Madras may not be left to subscribe for a copy of the Gazette as in the case of other private institutions. For orders.

SEP 1937

I submit that it is undesirable to sanction free supply of the Fort St George Gazette. This being a weekly publication costs us much more to supply free than administration reports, and the many requests for free supply of the Gazette received in the past have been turned down. This Dept. would advise that no exception to past practice be made in the present case so far as the Gazette is concerned.

Hon. P.M. may please see.

M(P.I.) In the absence of any general rule governing the free supply of the Gazette I suggest that the Dakshina Bharata Hindi Prachar Sabha may be granted their request especially as they ask for only a portion of the Gazette, i.e. relating to Education. The Sabha has done valuable educational work and are entitled to the convenience they ask for.
